

14th March 2022

Dear Parents and Carers of Y1 Nova Class,

At the end of this term, Miss McNamara will be leaving her post as class teacher of Nova Class in Year 1. We have recently recruited a permanent replacement.

From 25th April 2022, Mr Constantinides will lead Year 1 Nova Class as the class teacher. He will be supported by Miss Tibbs (HLTA). Mr Constantinides is an experienced class teacher who has already worked at our school this year and will be a permanent member of our staff. Mr Constantinides will have the chance to meet the class again this term and to have a smooth transition before the Spring break.

The class continue to make very good progress and are on track to achieve well at the end of the school year. We are fully committed to ensuring a great summer for the children in Year 1 Nova Class. The staff will continue to focus highly on the children's needs and ensure they continue to build on their overall high levels of attainment and progress.

In April 2022 there will be an opportunity to meet and greet Mr Constantinides. We would also like to wish Miss McNamara all the very best for the future.

Thank you for your continued support.

Yours sincerely

Mr Tofallis
Head Teacher
