

15th October 2021

Dear Parents and Carers

Religious Education

This term, Year 4 have been learning about Islam in their Religious Education lessons.

As we approach the end of our topic, we would like to ask if there are any parents/carers in Cosmo and Apollo class, who would be happy to share some of their knowledge and practises with each class on Thursday 21st October 2021 at 2:30pm.

We would like the children to be able to experience some of the readings from the Qur'an in Arabic, and then have the reading translated into English, to support what we have been learning about in our topic. After the readings, the children will then ask you some questions related to Islam, the Qur'an, the prophet Muhammad and the daily routines that are practised as part of Islam.

We would love it if you could bring along your own personal Qur'an, that children can look at from a distance, to see the calligraphy and how the holy book is laid out.

We would like one parent/carer from each class, so please do let us know if you would be interested in sharing some information about your culture, by emailing your interest to the school office.

We appreciate your continued support and look forward to hearing from you.

Yours faithfully

Miss Sauka and Mr Osman
