We will be wearing a blue lanyard and badge to help you find us around the school.

We were elected by our peers and hope to do a fantastic job in our new role as Ashmole Primary's school council. We meet once a month to discuss ideas to make our school even better! We will have a pupil suggestion box and will listen to what pupils want. We have lots of amazing ideas and have already started putting things into place- watch this space!

As a school we have also introduced our new school playground buddies, eco warriors and playtime/lunchtime monitors. You will be able to spot these pupils around the school if you need any help, as they will be wearing either a cap or a badge with their job title. We will listen to all of your ideas and work together to try and make as many positive changes as possible.

We can't wait to see all of our great ideas come to life!
