## **YEAR 1 PHONICS SCREENING INFORMATION MEETING**

Tuesday 3<sup>rd</sup> May 2022

Dear Parents and Carers,

You are invited to a Phonics Screening information session on Tuesday 3<sup>rd</sup> May 2022 starting at 9:00am in the hall, in preparation for the assessment that takes place in June 2022.

The session will take approximately half an hour. This is an opportunity for us to explain what the test entails and how it will be carried out. It also gives us a chance to answer any questions you may have. We will then look at how you can best support your children in their preparation for this assessment.

If you have any questions, please do not hesitate to speak to one of us.

Kind regards,

Miss Burke and Mr Constantinides
