

Summer LEGO Project

This summer we are inviting children to create Lego brick models during the holiday period. We will be looking for personalised creative projects as well as pre instructed models to showcase within the school.

- *All entrants to submit creations on Friday 22/09/23 to the school office.*
- *All winning entries will be displayed within the school in the new academic year.*
- *All entries must be contained within a shoebox. There are no restrictions on the dimensions or design of the shoe box.*
- *All entries must have the child's name, class & year labelled on the box.*
- *A £2 donation is requested per entry & should be contained within the shoe box in an envelope.*

***Panel of independent judges
will offer prizes & certificates for best creations.***
