

26th June 2023

Dear Parents and Carers,

Extended Sports Week: 3rd July - 12th July 2023

We are all super excited that our Sports Week is fast approaching and we are really looking forward to putting on another exciting and engaging extended Sports Week for all of the children this year.

Throughout this period, there will be a variety of activities taking place for the children to participate in, including a mini marathon, a carousel of sports and a competitive Sports Day. During the Sports Days, the children in EYFS and Key Stage 1 will be participating in a range of events such as an egg and spoon race, relay race, sack race, hurdles and an obstacle course. The Key Stage 2 Sports Day will be slightly different this year, with the children participating in similar events mentioned above but also a chance for the children to represent their house in a selected race or challenge against the other House Teams. The children will have practised these in their recent PE lessons. Although the Sports Day involves competition between each of the Houses, our main aim for the whole of Sports Week is for each child to have lots of fun whilst engaging in physical activity!

Please see the times each Key Stage will be participating in their Sports Day below. Both events will be taking place on the school field. We ask that those who wish to attend arrive at the school gate 15 minutes prior to the start time of their child's Sports Day.

Please note that due to the strike action on Friday 7th July, Key Stage 2 Sports Day will now be taking place on Wednesday 12th July. We would like to extend the week of Sports for the children to run from Monday 3rd July until Wednesday 12th July. Throughout these days we would like all the children to come to school in their PE Kits!

As the children will be getting active throughout these days, we would like the children to come to school dressed in their Ashmole PE kits each day! On the day of your child's Sports Day, the children should continue to wear their PE kit but should wear a top that is the colour of their House team. If you are not sure what House your child is in, please speak to the class teacher.

We really look forward to having an exciting sporty week!

Yours faithfully
