

Food donations needed!!

The cost of living has reached an all-time high and has been declared a national crisis! In response the Eco-warriors have decided to battle back and have organised the very first

“ASHMOLE PRIMARY FOOD DONATION STATION”

Families all over England are feeling the pinch as food and fuel prices skyrocket around us. The Eco-warriors have decided it is time to try and meet this issue head on and do all in our power to help those who need it most.

With Christmas fast approaching, we would like to ask all the parents and carers of Ashmole Primary to give as generously as you can to our food bank. The goods collected will be re-distributed to the many families who need it within our own Ashmole Primary community. The food bank will be ongoing and continue throughout the year.

We welcome donations of dried goods, pasta, tinned foods, juice cartons, tea/coffee, jams/preserves, cereals and any other non-perishable food items you wish to donate. Please note we are a nut free school.

It is OUR responsibility to help those who need it! Please give generously so those families can have the help they so desperately need.

We look forward to receiving your donations

Mr Evaghoras and the Eco-warriors
