

School Photos – November 2023

Dear Parents & Carers,

This is just to inform you that individual school photos will be taken on the 8th and 9th November (dates below). Sibling photos will happen at the youngest child's session, but they will still attend their own class session for their individual photo.

Children will come home with a password specific to them, which you can use to register your interest in seeing the photos. You will then get an email letting you know when they are ready to view.

The deadline for orders to receive free delivery to the school will be **Monday 27th November 2023**. You can still order photos after this time, but the only delivery option available will be P&P to your home (unless ordering digital files only).

Individual and sibling photos are scheduled at ASHMOLE PRIMARY SCHOOL at the following dates and times:
