

9th November 2023

Dear Parents/Carers,

This year's BBC Children in Need appeal Night is fast approaching and will take place on **Friday 17th November 2023**.

Children in Need provides grants to projects in the United Kingdom which focus on children and young people who are disadvantaged. This charitable organisation raises money for young people in all corners of the United Kingdom and supports small and large organisations which empower children and extend their life choices.

To raise funds for this year's Children in Need appeal, we, The Ashmole School council members have organised a non-school uniform day where you can either wear your pyjamas or children in need colours on **Friday 17th November 2023**. To support this event, we would like to encourage our classmates and peers to wear their pyjamas or children in need colours (dressing gown and warm socks too, if you would like) to school for the day. However, we must remind you that this is not an opportunity to wear a tracksuit to school, you **must** wear pyjamas or children in need colours.

We will also be asking for a £1 contribution on the day, which we will come round and collect from each class.

Thank you for supporting this worthy cause.
