3.10 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.

- 3.11 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the Head Teacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.12 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.13 The school recognises that certain subjects are more difficult to teach remotely, although live lessons will also be included for PE. Teachers will provide effective substitutes for in-person teaching such as video demonstrations. Pupils will be encouraged to take regular physical exercise to maintain fitness, and time will be allocated within the school week for pupils to focus on this.

## **4. Access to technology**

- 4.1 Ashmole Primary School will monitor and support families who do not have access to the resources required for remote education, and will ensure that an up-to-date record of which pupils do not have appropriate devices or internet access is maintained.
- 4.2 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 4.3 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means.
- 4.4 Before distributing devices, the school will ensure:
- The devices are set up to access remote education.
  - Appropriate safeguarding controls and support are in place to help pupils use the devices safely.
- 4.5 Once devices are ready for collection, the school will either arrange for them to be collected by parents from school, or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.
- 4.6 The school will endeavour to ensure internet access for disadvantaged pupils is provided, including where pupils rely on mobile data connection to access the internet.
- 4.7 The school will work with disadvantaged families to provide access to this scheme.
- 4.8 The school will ensure that it remains abreast of developments to DfE technology schemes, and will order sufficient amounts of technology to ensure that disadvantaged pupils can adequately access remote education at home.

- 4.9 The school will approach remote learning in a flexible manner where necessary, e.g. ensuring that lessons, live or otherwise, are recorded to accommodate contexts where pupils have to share a single device within the home.
- 4.10 Where live lessons are recorded, the school will ensure all recording procedures have due regard for the relevant data protection legislation, including the Data Protection Act 2018 and the General Data Protection Regulation.
- 4.11 The school will maintain excellent communication with parents to ensure that parents are aided in supporting their child's remote education.

## **5. Returning to school**

- 5.1 Ashmole Primary School will remain in contact with pupils who are remote learning to ensure that, when the period of national lockdown ends, pupils are supported to return to school as and when it is safe for them to do so. The daily live lessons will really help to keep excellent contact with all our pupils.
- 5.2 The Head Teacher will ensure that pupils who are permitted to attend face-to-face learning at school, but are required to self-isolate, will only return to school when it is safe to do so.
- 5.3 If a pupil who is attending face-to-face learning at school is required to self-isolate with symptoms of coronavirus, the school will agree with the parent or social worker of the pupil the best way to maintain contact and offer support.
- 5.4 The Head Teacher will listen to all concerns that parents may have about their child returning to school after a period of self-isolation and will advise them of the measures in place to ensure the safety of their child.
