

24th January 2024

Dear Parents and Carers of Year 5 Aquila Class,

I just wanted to update everyone in regards to Year 5 Aquila class.

Thank you to Miss Muse for supporting Year 5 Aquila Class this term alongside Miss Cofie. The staff in Year 5 have been brilliant and very supportive to all the children in the absence of their main teacher this year. As soon as we have an update in regards to Mr Constantinides' return to work, we will of course let you know. Miss Macdonald will continue to support and guide the year group team.

In order to reassure you all and to keep you up to date with your child's learning, the following events will take place in school over the next few weeks:

Monday 29th January – Parents and carers are invited to meet the staff in Year 5 Aquila Class, in the Hall, at 9am.

Tuesday 6th February – Parent Consultations will take place throughout the day from 9am – 6pm. Parents and Carers are able to book their preferred time slot to see the Aquila Class team (Miss Macdonald will be leading the sessions) in person through the use of School Cloud. **In order to begin booking appointments, please follow the attached guidance sheet which will take you through the necessary steps.**

The **deadline** for making appointments is **Monday 5th February at 10am.**

The children will continue with their booster sessions this term to help some of our children make even more progress.

Thank you for all your support and to all the adults in Year 5 Aquila who continue to do their utmost to ensure the children have a successful year in Year 5.

Yours faithfully

Mr Tofallis
Head Teacher
