

19th April 2024

Mini Marathon - Monday 29th April

Dear Parents and Carers,

We have been invited to take part in the TCS Mini London Marathon, in which the children will be encouraged to run/jog/walk 2.6 miles, in aid of raising money for charity and getting the children active! We participated in this event last year and the children had lots of fun, so we are very excited to take on this challenge again!

Our 'mini-marathon' will be taking place on Monday 29th April and we would like the children to come into school dressed in their PE kits and trainers for the day. We will have music and running bibs to excite and motivate the children during the event and we hope to receive a trophy from TCS in recognition of our school completing this challenge!

Just like many who complete the London Marathon, we will be raising money for a charity. We have chosen to raise money for the London Air Ambulance, who are a charity that deliver an advanced trauma team to London's most seriously injured patients. In the autumn of 2024, some of the helicopters need replacing. This will cost £15 million and the charity rely heavily on donations to achieve this. We look forward to raising as much money as possible for this incredible charity!

We are very excited to complete the TCS Mini London Marathon for the 2nd year running and look forward to taking on this challenge.

Yours faithfully

Miss Powell
PE Subject Leader
