## APPTA News

- 4.** The local Estate Agent sponsor the PTA annually. In addition to this, they also pass on 10% of any fee they earn from a property owned by a parent of an Ashmole child. The owner also has two children attending the school. So, if you are thinking to SELL or LET a property, you can help the PTA raise additional funds by contacting Rash & Rash

- 5.** **Summer Fair**  
**Sunday 23<sup>rd</sup> June – 12-4pm**

Our **biggest event** of the year is approaching fast!

Everyone is Invited, Friends and Family, spread the word.

Purchase tickets before the event for discounted family tickets.

**We desperately need more people to get involved in the work of APPTA to ensure the wonderful events can keep going.**

Volunteering is a major part of our events therefore, we ask all parents to volunteer for at least one event. With Summer Fair being our biggest yerly event, coming up.

Volunteering is a great way to socialize with other parents, the events are always fun and brings the whole community spirit together, most importantly to raise funds for all our children helping them on their journey at Ashmole primary. If you have a little time in any way (no matter how small) speak to your class rep, or a member of the Committee, we'd love to hear from you.
