

July Newsletter

After several months of planning, and stressful weeks running up to the summer fair. Our big day was a huge success and thankfully the weather held out making it an even more glorious day!

A huge thank you to all the volunteers, teachers, donations, stall holders and all the PTA Committee for making the summer fair happen.

Thank you to Rash & Rash who sponsors Ashmole Primary school.

The local Estate Agent sponsor the PTA annually.

In addition to this, they also pass on 10% of any fee they earn from a property owned by a parent of an Ashmole child. The owner also has two children attending the school. So, if you are thinking to SELL or LET a property, you can help the PTA raise additional funds by contacting Rash & Rash Matt@rashansrash.com 020 8882 2828

Thank you to our talented Decor Team and all the volunteers who dedicated their time to help make the decorations which gave our Summer Fair that extra added touch and looked amazing on the day as usual.

Summer Fair we raised a whopping **£11,920 !!!**

With all the money raised so far and last year, this has been spent on the two porta cabins which will give us four extra classrooms. We spent £40,000 on this project. This is a very exciting project with work to commence on the 5th August!

Wishing everyone a wonderful summer holiday break. To show our appreciation the PTA would like to gift ice lollies for each child on their last day.

Mai Hoang
Chair of PTA
