

24th July 2024

Dear Parents, Carers and Governors

End of Year Results – July 2024

The Reception children have received their Early Years Profile noting whether the children achieved the expected level of development in all the key areas. Year One pupils have had their Phonics Check results. The Phonics results are out of 40 with a pass mark of 32. This was the second time we have had our Year 6 cohort undertake the KS2 SATS. In addition to this the Year 4 cohort took part in the Multiplication check.

Once again, all the children have been amazing and have worked so hard over the year.

In Reception - 80% of the pupils achieved a 'Good Level of Development' overall which is a great achievement, well above the national average.

In Year One - 98% of our pupils achieved the pass rate for the Phonics Check, which again is a superb achievement, well above the national average and exceeded our targets set.

In Year Four, all the pupil took part in the Multiplication Check. There is no official data for this check which is out of 25 questions. It is important that all our KS2 pupils know their times tables up to 12 x 12. The children did very well with an overall average score of 21.

Our Year Six results were amazing. This has been a fantastic effort by all the children of our second cohort at Ashmole Primary School. All the Year 6 results are a lot higher than the national average and the children have continued to make great progress over the years. 95% of the pupils achieved the expected standard + in Reading; 95% in Writing; 95% in Grammar, Punctuation and Spelling; 98% in Mathematics and 95% in Science. 100% of pupils who participated in the Mathematics test passed which is fantastic.

These results are truly exceptional. For achieving greater depth – 55% of pupils were successful in Reading; 45% in Writing; 75% in Grammar, Punctuation and Spelling; 55% in Mathematics and 48% in Science. Again these results are excellent. 93% of our children achieved the expected standard or above in Reading, Writing and Maths combined with 33% at greater depth in all combined areas. The national average for combined at expected is 60%. I am extremely proud of all our children and well done for such outstanding results.

Thank you once again for all your support over the year. We have a brilliant team with talented children, hardworking staff and supportive parents and governors. Thank you once again to everyone for helping us to support our children and offer them an excellent education which enables the children to thrive academically, socially and to enjoy their time at school. Our successes continue to be outstanding in every year group from Reception all the way up to Year 6. Well done to everyone for all your hard work.

Have a great summer holiday!

Many thanks and best wishes.

Yours faithfully

Mr Tofallis

Head Teacher
