

12<sup>th</sup> June 2024

Dear Parents and Carers,

**International Day - Friday 12<sup>th</sup> July 2024**

This year, we would like to celebrate our place in the world community as well as our very own rich and diverse community with a bespoke International Day. The children and staff can dress up to represent countries from around the world. The children will spend the day travelling around the five continents of the world, taking part in different activities. These will include trying food, creating art, and learning key phrases in different languages. Additionally, the children will be learning different dances that showcase different cultures with a range of cultural and historic dance moves from all five continents.

We will have an international picnic on the field for the children and yourselves, to enjoy a huge variety of culinary treats from across the globe. School Council would like to invite all Parents and Carers to join us for our International Day picnic on **Friday 12<sup>th</sup> of July at 2:30pm**. We would like to ask for your support in bringing food to our special event. Please can you label the food with all ingredients and as a reminder we are strictly a **nut free** school, therefore any food which does not have an ingredient list will not be able to be shared.

Thank you very much for your cooperation. We look forward to seeing you join us on our International day.

Yours faithfully

Miss Popova  
**PSHE, School Council and Well-being Lead**
