

Art Curriculum Whole School Overview

	Term	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS		Explore, use and refine a variety of artistic effects to express their ideas and feelings. Return to and build on their previous learning, refining ideas and developing their ability to represent them. Create collaboratively, sharing ideas, resources and skills. Examples of how we support Art at Ashmole Primary <ul style="list-style-type: none"> • Teach children to develop their colour-mixing techniques to enable them to match the colours they see and want to represent, with step-by-step guidance when appropriate. Provide opportunities to work together to develop and realise creative ideas. • Provide children with a range of materials for children to construct with. Encourage them to think about and discuss what they want to make. Discuss problems and how they might be solved as they arise. Reflect with children on how they have achieved their aims. • Teach children different techniques for joining materials, such as how to use adhesive tape and different sorts of glue. Provide a range of materials and tools and teach children to use them with care and precision. • Promote independence, taking care not to introduce too many new things at once. Encourage children to notice features in the natural world. Help them to define colours, shapes, texture and smells in their own words. • Discuss children's responses to what they see. Visit galleries and museums to generate inspiration and conversation about art and artists. 					
Year 1			Painting - Portraits	Printing- Victorian Wall Paper- link to History		Collage - Animals - link to Science	
Year 2		Textiles - London Landscape - link to geography		Andy Warhol - Painting Fossils- link to humanities		Sculpture - clay boat Christopher Columbus
