

SPORTS DAY

We enjoyed a wonderful Sports Day this year at Ashmole Primary School. All the children in Reception and Year 1 took part in a carousel of events as members of their house teams. There was a fantastic turn out of families and friends to spectate at the event, and also take part in races themselves. Congratulations to the winning house this year, the Red Rubies! Well done also to all the children who took part in Sports Day and the children from each class who won the Sportsmanship and Determination Awards! It was wonderful to see the children cheering for each other, helping each other with the equipment and trying their best at the different race events.

Thank you to Mr Bennett, Mr Tofallis and the PTA for setting up and taking down the field and play area and to the Ashmole Academy students for helping the children on the stations and counting up the all-important scores. Thank you to all the teaching staff for supporting the children throughout the afternoon, to Mrs Chown for helping with first aid and Mrs Andrews for helping keep the children's energy up with oranges and ice pops. All this help is greatly appreciated and made the event the success it was! Thank you and have a great Summer. Mrs Redshaw

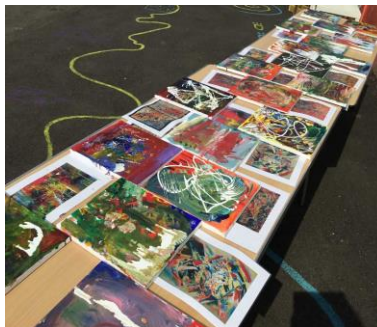

ART WEEK

We had a fantastic Art Week at Ashmole Primary School! We made lots of interesting collaborative art work, ready to put into our brand new building in September.

We want to say a big thank you to all the families who donated resources for our sculptures, they made such a difference. We also want to say thank you to the parents who gave up their time to help us make our wonderful playground charters.

Finally, a big thank you to Mr Bennett, our amazing caretaker. He spent hours collecting and making resources for our sculptures and worked hard with the children to construct an impressive wooden sculpture. Thank you and best wishes, Miss Cooper.
