A Festive First: Our Christmas Market Success!

We did it! Our very first **Christmas Market** was a huge success—and it simply wouldn't have been possible without our wonderful volunteers who baked, bought, sold, and shared so much Christmas cheer throughout the afternoon. We even had a lovely visit from some Ashmole Primary Alumni running the Human Fruit Machine Game Stall.

A heartfelt thank you goes to our fantastic Santa and his elves for creating such a magical experience in Santa's Grotto. The children were thrilled to meet Santa, write their letters with their dream gift lists, and receive a special book to take home. **Thank you, Santa, for making it so memorable!**

Once again, our **incredible décor team** worked their magic. The Santa's Grotto truly brought Christmas to life, and the whole school looked absolutely festive—another huge thank you to everyone involved.

Our external stalls helped us kick-start our Christmas shopping, while the children's stalls were a big hit, offering unique and thoughtful gifts for friends and family.

All in all, we raised **£4,275**—a fantastic achievement from just one afternoon.

Thank you all once again for making this event such a brilliant success! 🎉🌟

HOT OFF THE PRESS!!!

Exciting news! We're delighted to announce that the new adventure playground has officially been approved 🎉

Construction is set to begin in early 2026, so keep an eye out for diggers and building work! This fantastic project has been made possible thanks to PTA fundraising, with a contribution of **£40,000** to create a space that will benefit all of our children.

As well as organising fun events throughout the year, the PTA is proud to fund projects like this that enhance the school experience for everyone.

The new adventure trail has been carefully designed to challenge children of all abilities, and we've worked closely with the school to ensure there's something for every child to enjoy.
