Dear Parents and Carers

We are pleased to invite you to our **KS1 Parent Maths Workshop** on **Friday 25th September at 9:00am** in the **school hall**.

During the session, we will:

- Explore how Maths is taught in **Key Stage 1**
- Share practical strategies to help you support your child with Maths at home
- Offer fun, positive ways to make Maths enjoyable and confidence-building

We are also pleased to offer our KS1 Maths Pack, which includes the same types of resources used in school so that children can continue to practise their learning at home.

This year, Maths packs will be available as a **pre-order**. Once you have ordered and paid via **ParentPay**, the pack will be prepared and sent home with your child after **half term**. The ParentPay link will close on **Friday 9th October**.

The packs are offered on a **non-profit basis** - they will be sold at the cost of purchase only.
