

Head Teacher's Message:

This has been another busy term and soon we would have completed our first year in our brand new building. The children have worked incredibly hard this term and I continue to be amazed at their enthusiasm and dedication for school life. As you know Ofsted visited our school on Wednesday 8th May and Thursday 9th May. We look forward to sharing the latest Ofsted Report with you all as soon as we have it available. Although we have only been back for a few weeks, we have had our Official School Opening, our Ofsted Inspection and the Y2 children have completed their SATS! Our governors have also come to visit us this month. Thank you to our fantastic APPTA for organising the Fun Run on Sunday 19th May. The children thoroughly enjoyed themselves along with all the adults! Thank you to everyone for sponsoring the event. Finally, congratulations to the Yellow Diamonds for winning the House point competition for the Spring Term. Their reward was to have a special Sports afternoon on Wednesday 22nd May with the Foundation Sports coaches. Well done!

After half term we have some very exciting events organised for our children including: A Pollution Theatre show for Y2; a Y1 trip to the Victoria and Albert Toy Museum; a Poetry Workshop; an Online Safety workshop; a Year 2 trip to the Natural History Museum and the Victoria and Albert Museum; Arts Week; Cycling Skills for Year 2; a Reception trip to Paradise Wildlife Park and PE Week!

I hope you all have a relaxing half term holiday and we look forward to seeing everyone again on Monday 3rd June 2019.

Best Wishes

Mr Tofallis

Reception News

Orion Class have been having so much fun outside on the bikes! The children have been working hard to change their direction and speed in order to avoid obstacles. We have also been developing our teamwork skills by working together to construct different things. We have made sure to share our ideas and listen to those of our friends too!

Calypso Class have been creating their own play dough bubble gum! Some of the children decided to create menus filled with lots of exciting flavours.

They then asked their friends to vote for their favourite ones. They were able to incorporate lots of phonics and maths skills in this fun and engaging child initiated activity.

Year 1 News

Luna class have enjoyed learning about measuring capacity in Maths. We measured and compared the capacities of different containers which involved lots of water and fun! We also really enjoyed planting with the support of parents to make our Wildlife Garden grow, we can't wait to use the garden as a class. We also enjoyed a special treat as we achieved the tidiest class and best attendance award in the same week!

Nova Class have been looking closely at the different features of recounts this week. After taking part in a fun sports activities afternoon, we wrote our own recounts of the events that took place.

The children in Nova class have particularly enjoyed practical activities during our topic of capacity. They worked well in groups to make predictions and test them using coloured water.

Year 2 News

Lyra Class have been busy with our special quizzes-SATs for the past few weeks but in between we have managed to have fun with a project on Christopher Columbus.

We did lots of exciting history work where we found out facts about his explorations, and then we had a great week of art, we painted, printed and made clay ships.

Carina Class have had a fantastic time on their own voyage of discovery finding out about Christopher Columbus and his adventures.

We have been experimenting with different materials and resources to create artwork linked to Columbus. The children used clay, pipe cleaners and felt to make their own boats!

New Telephone Number

Please remember that our telephone number has changed. Our new number is:

020 8361 1881

Please save this number as the old number is no longer available!

School News and Reminders

Lost Property

If your child has lost any of their belongings, please speak to your child's class teacher or come to the school office.

Please ensure
that all clothing
is clearly marked
with your child's
name.

For your information, our Child Protection Officers are:

Mr Tofallis (Primary)
Mrs McLaren (Academy)
Mr Sanders (Governor)

The School Safeguarding Policy is available on our website:

www.ashmoleprimary.org

School Uniform - New Supplier

We continue to use ORC Sports to supply our uniform, however we have also sourced another supplier; Uniform 4 Kids www.uniform4kids.com

Summer Term Reminders

Please remind your child to wear their sun hat at break and lunch time. Sun lotion should be applied at home - please do not bring sun lotion into school. Your child must also have their water bottle.

Online Safety Session led by Childnet

Tuesday 18th June 2019 at 6.30pm until 7.30pm in our Primary School Hall.

This is a parent workshop for adults. Everyone most welcome to attend.
