

Also this term:

As **musicians** we will be: singing simple songs from memory with enjoyment, including songs from our performance at the Barnet Infant Music Festival. We will also explore the different sounds that instruments make and learn how to control them.

In **Computing** we will be learning how to use the computer safely through e-safety lessons. We will be using software to design and create a Harvest festival card. Also, we will be exploring creating and using algorithms to direct a bee-bot as treasure hunters.

Within daily **Maths** lessons we will be focussing on becoming masters of our curriculum by:

- Counting and ordering numbers up to 20 and beyond
- Reading and writing numerals with correct formations
- Sequencing events in our day and knowing the time that these events happen
- Understanding and using the operations of + and - and applying to real life problems
- Solving simple problems
- Investigating properties of 2D and 3D shapes
- Collecting, recording and interpreting information using lists, tables, pictograms etc.

In **RE** we will be: studying the importance of Harvest to Christians and learning that it is a time of sharing and giving thanks. We will also be learning about the significance of Christmas through the study of the nativity story.

In **PE** we will be practicing our locomotion skills of running and applying the skill to different games contexts. We will also be developing our ball handling skills. Through our gymnastics and dance performances, we will be developing our co-ordination and control.

Within daily **English** lessons we will be focussing on becoming masters of our curriculum by:

- Encouraging the children to express opinions, ask and answer questions, describe and explain, tell stories, listen to others and take turns in paired talk
- Using role play to act out stories
- Using big books to read together
- Using the Letters & Sounds programme to support reading and spelling
- Developing an understanding of sentence structure and punctuation
- Developing and building word recognition
- Focussing on topic related writing, creating lists, cards and letters.
- Practising handwriting.

In **PSHE** we will be learning to cooperate in a group in order to live and work together harmoniously. We will also be learning to respect our immediate and wider global environment; looking at keeping our classroom tidy, recycling and protecting our world.

This half term you can help your child at home by:

- Helping your child to dress themselves independently.
- Hearing your child read every day, discussing the storyline/pictures with them, and writing comments in reading record.
- Reading **TO** your child to demonstrate the use of expression and questioning their understanding of the text - focusing heavily on developing inferential skills through targeted questioning using HOW and WHY questions.
- Watching and correcting letter and number formation.
- Reinforcing the phonemes of the week.
- Revising all Phase 3 & 4 tricky words and using them in sentences.
- Recapping phonemes, specifically digraphs (e.g. oa, ur) and trigraphs (e.g. ure, ear).
- Practising counting aloud - forwards and backwards from any given number (0-50).
- Playing shops with 1p, 2p and 5p coins.
- Making your child aware of significant times of the day e.g. bedtime, bath time, dinnertime etc.
- Practising counting in 2's, 5's and 10's.
