

An Ashmole Academy Trust School

Head Teacher: **Mr Chris Tofallis**

September 2019

Dear Parents and Carers

**Y3 - Level 1 Bikeability Training at school on:
9th September till 12th September 2019**

We have been given the excellent opportunity to provide free Bikeability Training at Level 1 to our children in Year 3. The date for this will be 9th-12th September 2019. This safe, structured and standardised programme is designed to make your child a more competent cyclist and prepare them for cycling on road.

In order to secure your child's place on this course, please make sure you read the information below and sign the consent form. Training will be carried out by Cycle Confident, the borough's cycle training provider, and will be delivered by 2 fully accredited National Standards cycling instructors with enhanced DBS checks.

The following information is provided by Cycle Confident and aims to answer any questions you may have.

Bikeability is the nationally recognised cycle training programme.

It's about acquiring the practical skills to cycle safely and with confidence on today's roads.

For children to participate in school Bikeability training, they must have basic riding skills (without stabilisers).

Level 1 is designed to give your child control over his / her bike and takes place in groups in a space away from traffic such as a playground or closed car park.

What does my child need to take part in Bikeability?

Crucially, your child needs to be able to commit to the full length of the course. If they miss a session, they may not be able to re-join the course since their cohort will have moved on. In terms of equipment, your child will need a bike which is in a roadworthy condition, the right size for them, have pumped up tyres and two working brakes. Instructors will show children how to check their bikes at the start of the first session and will ensure that your child's bike is safe for training purposes. BMX bikes are permitted in most

Summit Way, Southgate, London, N14 7NP • **Tel:** 020 8361 1881 • **Fax:** 020 3434 0334

circumstances so long as the bike has working brakes, and has not been adapted to the extent that it is no longer suitable for use on the road. The instructors will have the final say on whether your child's bike is safe for them to complete the training on but allowances will be made wherever possible.

Can my child share their bike with a child who does not have one?

There is a provision on the consent form which you can tick if you are happy for another child to borrow your child's bike when his or her group is not in training.

What should my child wear to take part in Bikeability?

In most cases, your child may wear their normal school clothes, suitable for the season and weather. High visibility tabards will be provided by Cycle Confident.

Does my child need a cycle helmet?

Please see the consent form for more information. This is usually left up to parental discretion so if you do require your child to wear a helmet, please be sure to provide one. We strongly recommend that all pupils have their own helmet.

My child is not able to participate in Bikeability. Can he/she do it outside school time?

In many boroughs, Cycle Confident runs free holiday courses that cover the same outcomes as the Bikeability school courses. Children are welcome to join these whether or not they have done training at school. Check out the services the council offers on the Cycle Confident website www.cycleconfident.com

What will my child receive on completion of Bikeability training?

Children who successfully complete Bikeability training are awarded a badge and certificate.

My child didn't complete the Bikeability training. What happens now?

Your child will be given some feedback from their instructor on areas that need a bit more work. It is recommended that you discuss these with your child so that they can be clear on how they can improve their skills and confidence. You might be able to help your child practice these areas, or you might want to sign them up for further free training or holiday courses. Check out the Cycle Confident website www.cycleconfident.com for details.

Is there free cycle training available for adults?

Yes, most councils offer free individual or group training for adults and this can be a great way to understand better what your child has been taught and support them towards independent cycling. See the Cycle Confident website for details www.cycleconfident.com

Yours faithfully

Mr Tofallis
Head Teacher
