Breakfast Club and After School Club led by Mrs Deniz. This starts today. Breakfast Club is from 8am till 8.50am. After School Club starts from 3.15pm till 5pm. Registration point will always be the Group Room. There are always at least two members of staff on duty for the clubs.

Outdoor Equipment Please remind your children not to play with any of the outdoor equipment before or after school. Thank you.

Scooters For safety reasons, please ensure the children walk their scooters on the playground at the start and end of the day. Thank you.

Lunchtimes We have improved our lunchtime eating routine and the children can choose their preferred meal in the morning. There will always be plenty of food for the children with salad, a desert and drink to accompany the main meal. Please also share the online menu with your child.

Lining up at the start of the day and going home:

The children are now getting used to lining up before school. Please help the children to line up and then stand back behind the white line to avoid congestion in the morning. At the end of the day please remain behind the white line and the children will be sent to the parents once the staff have recognised the parents/ carers to ensure a safe handover. Calypso class will come out on the right with Orion on the left. Thank you for your co-operation in this matter.

The school photographer (Van Cols) will now be at school on Monday 31st October in the morning. The children will have individual photos as well as a new class photo. The photographer will take the photos at the secondary school where there is a bigger venue for the photos to be taken. We will walk over after registration on the 31st October.
